

What to Pray For:

1. Pray that the Lord will grant an extraordinary work of His Spirit to save a great number of souls in our cities, provinces and country.
2. Pray that more men would be willing to faithfully take the gospel outside the walls of our churches and into their communities.
3. Pray that the churches will grow in vigor and become a great force of influence in our culture and institutions.
4. Pray that individual believers would practice a life of holiness and forsake the pleasures of this world.
5. Pray for the faithfulness of the Churches in our country to adhere to the Lordship of Jesus Christ over them and to remove any sin that is lingering within its walls.
6. Pray for the future of our country, for the salvation of our leaders that we might live peaceful lives.
